A Journey Even Huck Finn Would Have Admired---Spokesman Review (Note: to view the video book trailer for this book, click on Visit Amazons Nancy Owens Barnes Page in the More About the Author section. ) A true story of courage and survival, *South to Alaska* carries readers from the heartland of America to the Last Frontier. . . Plagued by mechanical problems, international fraud, violent ocean storms, threats of foreign jail, illness and loneliness, Melvin fears a deadly end before reaching the place of his dreams and returning to the woman he loves. *South to Alaska* chronicles Melvin's 10,000-mile journey through...
