Reviews

Completely essential read book. I could possibly comprehended every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

(Rosendo Douglas DVM)

THE HAMMER AND THE BLADE: AN EGIL NIX NOVEL

Del Rey Books, United States, 2015. Paperback. Book Condition: New. 175 x 106 mm. Language: English . Brand New Book. For readers of Brent Weeks, Joe Abercrombie, Peter V. Brett, and Scott Lynch comes the first book in a fantastic, hilarious new sword-and-sorcery series that puts a clever new twist on the golden age of epic fantasy. Robbing tombs for fun and profit might not be a stable career, but Egil and Nix aren't in it for the long-term prospects. Egil is the hammer-wielding warrior-priest of a discredited god. Nix is a roguish thief with just enough knowledge of magic to conjure up trouble. Together, they seek riches and renown, yet often find themselves enlisted in lost causes generally against their will. So why should their big score be any different? The trouble starts when Nix and Egil kill the demonic guardian of a long-lost crypt, nullifying an ancient pact made by the ancestors of an obscenely powerful wizard. Now the wizard will stop at nothing to keep that power from slipping away, even if it means freeing a rapacious beast from its centuries-old prison. And who better than Egil and Nix the ones responsible for his current predicament to perform this thankless task? Praise for *The Hammer and the Blade* and Paul S. Kemp A gripping tale [with] the feeling of a classic Dungeons Dragons campaign. Publishers Weekly Most heroes work up to killing demons. Egil and Nix start there and pick up the pace. Elaine Cunningham, author of the Thorn Trilogy Kemp delivers sword and sorcery at its rollicking best, after the fashion of Fritz Leiber's *Fafhrd and the Gray Mouser*. Library Journal.
