Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Prince Charlie The advent of its regatta is usually the herald of a sea-side season s demise. Wivernsea, as yet, is not sufficiently developed to justify indulgence in a water festival. So far, its carnival flights have been confined within the limits of flower shows and the treats of its Sunday school. The builder - his surname is Jerry - is around with a rule though. His conspiracy with the man who plots lands and dispenses free luncheons and railway tickets, will possibly wreak a change on that part of the map s countenance. Increased population may render the place more famous - or infamous. So very much depends on one s viewpoint. The houses of Wivernsea are built in its bay. Stuck in round the fringe of it like teeth in a lower jaw. Picture to yourself the long ago - the bay s origin - and the present appearance of the place may come before you.
