REAL FANTASY DREAMS: TENDER MEMORIES AND REFLECTIONS OF THE HEART

Createspace, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is the second book of poems in a series of poems entitled Real Fantasy Dreams. This edition of Real Fantasy Dreams contains poems about many aspects of life that one finds endearing to the heart. I have captured the carefree times, funny events, favorite things and some of the stupid crazy stuff that one may have done as a child or while growing up. The poems evoke memories that are common to most people for the many things that you like, had fun doing and reflect upon as you remember certain events in your life. I also touch on a few sassy times as well as few interesting subjects with many play s on words. This book of poems is very special and you will find them close to your fondest memories. A treasure enjoyed as time fades into yourself.
