Reviews

It is simple in go through preferable to comprehend. It is full of wisdom and knowledge It is extremely difficult to leave it before concluding, once you begin to read the book.
(Leif Predovic)

ASTRA: THE HARROWING

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Even the smallest spider could fell a two-ton Chrisna bear if it bit in a sensitive spot. For Magnius Zoleki and the others, the trick is to find it without getting caught. In the weeks following the Xuranian triumph, humankind finds itself on the brink of ruin. Amii Martin speeds from planet to planet, where she hunts dissidents and punishes civil disobedience with death. On Earth, Captain Ardri Lothian's efforts to spearhead a rebellion are cut short when they come under attack by a hostile band of natives. The Xuranian high commander reduces the Pan-Asian Union to a puppet regime by inducting Regent Frajik as their Head of State. Not everyone loses hope. As the rebel cause takes shape, Magnius finds help in unexpected places. Enigmatic strangers. Former friends. Bitter rivals. There's just one catch. To exact their freedom, Magnius needs to go through Amii and end her days as the Butcher of Hope. He may not have a chance in hell of convincing her to join the rebellion, but if he can't, he'll be forced to kill her-before she learns he's one of them and he's next on her execution list. Astra: The Harrowing is the third and final novel in the Astra saga.
