THE TIDES OF THE CAPE

BLVNP, Incorporated. Paperback. Book Condition: New. Paperback. 146 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. They lay together, two lovers in an apartment by the sea side, bound forever by love and companionship. Mitchel Singh is an introverted young man making a quiet living as a dishwasher. He doesn't want much from life and generally just keeps to himself, drinking in bars alone and taking long walks by the sea. The only person in his heart is his mother Jane. Her warmth and generosity brings neighborhood kid Peter Evans into their home. Peter's abusive and domineering father thinks his proclivities are a sign of possession, so Jane's presence becomes his refuge and by extension, Mitchel's too. The two men become good friends, and as they spend more time together, their lives start to change. Peter finds his own strength in Mitchel's quiet independence, while Mitchel finds the joys of being open to other people in his life. They also find themselves falling for each other. A Gay Romance for mature audiences. **SAMPLE:** Do it, Peter said through misty eyes. Mitchel lowered his lips and kissed Peter gently and started making love to his boy, as Peter's renewed hardness rubbed between them both. Their hands traveled along each other's bodies, discovering the best of each other, making love to each other. Occasionally their lips would meet again, and then Mitchel would be munching away at Peter's chest, or neck, careful not to leave any marks above his collar. Within a few minutes Peter was moaning again, and Mitchel could feel it, Peter's heart rate picked up, his chest was red with their lovemaking, his entire body blushing. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
