Reviews

Great electronic book and helpful one. Of course, it is play, still an interesting and amazing literature. I am just delighted to inform you that here is the finest ebook i have got go through in my own daily life and might be he finest pdf for actually.

(Lora Johns III)

THE UNTIED KINGDOM

Choc Lit. Paperback. Book Condition: new. BRAND NEW, The Untied Kingdom, Kate Johnson, When Eve Carpenter lands with a splash in the Thames, it's not the London or England she's used to. No one has a telephone or knows what a computer is. England's a third world country and Princess Di is still alive. But worst of all, everyone thinks Eve's a spy. Including Major Harker who has his own problems. His sworn enemy is looking for a promotion. The general wants him to undertake some ridiculous mission to capture a computer, which Harker vaguely envisions running wild somewhere in Yorkshire. Turns out the best person to help him is Eve. She claims to be a popstar. Harker doesn't know what a popstar is, although he suspects it's a fancy foreign word for 'spy'. Eve knows all about computers, and electricity. Eve is dangerous. There's every possibility she's mad. And Harker is falling in love with her.
