You will recall that at that meeting the subject of The National Importance of Pure Milk was taken up and freely discussed by the joint sections on Public Health and Laboratory workers and it was on recommendation of these sections, to the Executive, that the Commission was appointed. Your Commission has held some thirty meetings, all of which have been well attended, and a marked interest manifested by the various members. As there were enough members in Toronto to constitute a quorum, we have been able to hold regular meetings, notice of which has been sent to the various members throughout the Dominion, and all members have been sent a synopsis of the proceedings accompanied by a request for comments and also for suggestions. The following Committees have been appointed: First. - A Committee to prepare rules and regulations for governing the production and delivery of milk. This Committee secured literature from all the cities in the United States where efforts were being made to improve the milk supply, and where city ordinances were in force. From this accumulation of literature, rules and regulations have been compiled. Legislation Asked for Second. A Committee on Local Legislation to take up the matter of Milk Legislation with the Local Legislature. About the...
