Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Random Rhymes is a collection of old an new poetry written through the widow of time and experience. Many of the poems have lain hidden away for many years and are only seeing the light of day now. Many have been taken from their hiding place and polished just for this anthology. Poetry has always played a huge part in my life and I cannot remember a time when I was not either writing poetry or singing nursery rhymes. This brought a great love of poetry into my life at a very early stage and it is a love that continues today as I still read and recite other poetry as well as writing my own. I currently live with my dog on a large and neglected block of land in rural Australia, where the garden is a project under construction. I have a busy life with my family. I spend many hours writing each day with my dog curled up beside me or sitting on my lap as I type. I look forward to hearing from my readers and thank you for giving me the chance to play a part in your life s journey as you are playing a part in mine.
