Numbers have essence, and this has been recognized by esoteric students since Pythagorean times. Lingerman shows how these energies flow through you. In this book, you will learn how to identify your Birth Force Energy, Day of Birth Energy, dominant and recessive energies, juxtapositions, and tonalities. Lingerman explains numeric cycles and how the nine energies manifest on the physical, emotional, mental, and intuitive levels, and includes a worksheet to help you document your energies so you can develop an accurate overview of your life plan. Lingerman's clear descriptions of these energies make the material easy to assimilate.
