

The Baby Solution: Your Essential Resource for Overcoming Infertility

By Daniel Kenigsberg

Avery Publishing Group, United States, 2006. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book. Practical, frank, and compassionate advice from an infertility specialist. A diagnosis of infertility can be devastating for the woman or couple who is ready for a baby, but those suffering with infertility should know that there is still hope. Fortunately, there s a helpful, compassionate resource that offers readers just that. The Baby Solution is a step-by-step, practical guide to overcoming infertility. Reassuring and friendly, this book will give readers an insider s view on getting expert care, providing information about intrauterine insemination (IUI), in vitro fertilization (IVF), and other standard infertility treatments, as well as the latest state-of-the-art care. It also includes such alternative means of improving fertility as acupuncture and traditional Chinese medicine. This essential resource gives readers tips to help them financially negotiate a field where the cost of treatment is high and the business concerns of clinics and doctors can sometimes override a patient s best interests. This guide will tell readers how to choose a doctor or a clinic that will give them the best chance of success, how to get the most out of...
