Redleaf Press. Paperback. Book Condition: new. BRAND NEW, Let's Play: (Un)Curriculum Early Learning Adventures, Jeff A. Johnson, Denita Dinger, Children's play is focused, purposeful, and full of learning. As children play, they master motor development, learn language and social skills, think creatively, and make cognitive leaps. Let's Play provides caregivers, teachers, and parents with a variety of budget-friendly, child-centred experiences that lead to countless learning opportunities. Each chapter outlines an open-ended play adventure with instructions, photographs, and fresh ideas for children to explore everything from worms to magnets. These activity starters were all tested by a slew of early childhood professionals and approved by the children they work with. Each of the thirty-nine adventures is simple, flexible, engaging, and packed with learning, and they support the philosophy that the best learning is done when children are allowed freedom to play.
