FERTILE GROUND: THE IMPACTS OF PARTICIPATORY WATERSHED MANAGEMENT

ITDG Publishing, United Kingdom, 1999. Paperback. Book Condition: New. 223 x 150 mm. Language: English . Brand New Book. Growing concerns about environmental degradation, declining agricultural productivity and increasing population pressures have led governments and agencies to seek new approaches to natural resource management. There are some innovative programmes in operation which are contributing to improved land management and increased livelihood security, many of which include the active involvement of local people in planning and decision-making in soil and water...

Reviews

It is fantastic and great. This is for those who statte there was not a worth looking at. Its been written in an exceptionally easy way which is only soon after i finished reading this ebook through which in fact changed me, change the way i really believe.

-- *Barry O'Reilly*

Absolutely essential study book. It is loaded with wisdom and knowledge I found out this ebook from my i and dad suggested this ebook to understand.

-- Dr. Lera Spencer
