EXPLANATORY AND ILLUSTRATIVE NOTES The Headings and Reference Figures Correspond to Those of the Text PART ONE, CHAPTER I 1. The word tax is used comprehensively in the United States for local as well as State or national levies for public revenue, except that custom-house exactions are usually called tariffs or duties. In Great Britain, however, the word tax is usually understood to designate Imperial levies, local taxes being called rates. In this volume the words tax and taxation are used indiscriminately for fiscal exactions, whether national or local, direct or indirect, tariff, duty, excise, or license. 2. In the city of New York, according to the report of the Tax Department for 1914, the value of improvements that year was \$2,855,932,518, whereas the value of the land alone was \$4,602,852,107. As the tax rate in New York was about 1.8 per cent.,...
