Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, The Watched, Casey Hill, Quantico-trained forensic investigator Reilly Steel is back in the country of her birth. Unsure about both her future and her position within the Dublin police force, Reilly hopes that a relaxing stay at the Florida beach home of her old FBI mentor Daniel Forrest will help get her thoughts together. When Daniel's son, policeman Todd Forrest, is called to the scene of a gruesome murder where the body of a beautiful woman has literally been torn in two, he is stopped in his tracks. Not just because of the grotesque and theatrical nature of the crime but because he recognizes the victim as Daniel's goddaughter. In an attempt to find swift resolution on her old friend's behalf, Reilly finds herself drawn into the investigation. And when another disturbing murder occurs soon after, Reilly can't help but feel that she has come across something like this before. But where? The answer becomes apparent at a third crime scene - the killer is visually reenacting some of the most famous murder scenes in screen history and posting his 'work' online for his followers and the whole world to see. Will the investigative team be able to find the murderer before his thirst for 'screen immortality' drives him to kill again? And will Reilly's brief hiatus in the US force her into a decision about her future in Dublin, and the unfinished business she has there?.
