Brand New Book ***** Print on Demand *****.Excerpt from The Romance of Modern Sieges: Describing the Personal Adventures, Resource and Daring of Besiegers and Besieged in All Parts of the World These chapters are not histories of sieges, but narratives of such incidents as occur in beleaguered cities, and illustrate human nature in some of its strangest moods. That facts are stranger than fiction these stories go to prove: such unexpected issues, such improbable interpositions meet us in the pages of history. What writer of fiction would dare to throw down battlements and walls by an earthquake, and represent besiegers as paralysed by religious fear? These tales are full, indeed, of all the elements of romance, from the heroism and self-devotion of the brave and the patient suffering of the wounded, to the generosity of mortal foes and the kindness and humour which gleam even on the battlefield and in the hospital. But the realities of war have not been kept out of sight; now and then the veil has been lifted, and the reader has been shown a glimpse of those awful scenes which haunt the memory of even the stoutest veteran. We cannot realize fully the life that a soldier lives unless we see both sides of that life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
