Reviews

Complete information! Its such a great study. It is probably the most amazing book i have got study. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mr. Roger Luetgen III)

EARNINGS INEQUALITY IN SOUTH AFRICA 1995 - 2003

HSRC Press. Paperback. Book Condition: new. BRAND NEW, Earnings Inequality in South Africa 1995 - 2003, Ingrid Woolard, Chris Woolard, It is generally accepted that the gap between the earnings of unskilled and semi-skilled workers on the one hand, and skilled and highly skilled workers, on the other, narrowed in South Africa during the 1970s and 1980s. This paper investigates whether the gap between the real earnings of highly skilled and low-skilled workers in the formal sector of the South African economy continued to narrow after this country's transition to democracy. Statistics South Africa's October Household Survey and Labour Force Survey data covering the period 1995 to 2003 are analysed, and the authors also assess changes in the earnings gap between whites and other race groups in that period, and between men and women.
