Phk, United States, 2014. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Mike Patterson has released his second offering in the internal martial arts genre. This time the spotlight is on the art of Baguazhang. This second book is again focused on covering the tactical theories, training methods and philosophy, this time of Baguazhang, as a martial art. A bit more information on the health/vitality and cultivation methods found within these disciplines has been included as well due to popular request. Shrfu Patterson is widely considered to be one of the foremost experts in the world on the internal martial arts. Shrfu Patterson has become known for in-depth knowledge of the mechanics, physics and kinetics that make these arts viable within real combat. Perspectives on training, skill development, conditioning, meditation/energetics/Taoist alchemy, partner drilling, strategy, tactics and cultivation are all discussed thoroughly. This is a work once again designed to, this time, present Bagua in a plain English, straightforward manner. The author again avoids subject matter that has been done to death in other books, with only a cursory nod to history and any songs devoid...
