Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

DEVIL'S BROOD

DOWNLOAD

Ballantine. 1 Paperback(s), 2009. soft. Book Condition: New. Following *When Christ and His Saints Slept* and *Time and Chance*, Sharon Kay Penman's third novel in the Plantagenet series opens in 1172. Henry II's three eldest sons conspire against him and align themselves with his great enemy, King Louis of France but it's Eleanor of Aquitaine's involvement in the plot to overthrow her husband that proves to be the harshest betrayal. As the royal family collapses, the clash between two strong-willed and passionate souls once deeply in love will have far-reaching and devastating consequences throughout Christendom. "Based on the lives of Henry II and Eleanor of Aquitaine . [this book] concludes the tumultuous love story between these two strong-willed, brilliant rulers. As the novel opens, their four sons are beginning to chafe under the heavy hand of their father, who has crowned the eldest, Hal, as a coregent but gives him little authority or power. Egged on by their mother, the young king and his brothers mount a decade-long crusade of rebellion and treachery against their father and each other as they vie for land, money, and power. The empathetic reader can't help but be both horrified by the machinations of this grievously dysfunctional family and filled with pity for the pain they inflict upon one another. Penman does a remarkable job of depicting passionate, dramatic characters and the perilous times in which they live. For those who like their historical fiction as complex and tightly woven as a medieval tapestry, this book cannot fail to please." *School Library Journal* (starred review) 744.
