Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Jacob Ellis and his wife Donna live in the north woods of Wisconsin. Like most young couples, they have hobbies they enjoy. Jacob likes the outdoors, choosing four-wheeling and hunting as his forms of relaxation. Donna loves cooking, but her true passion is working in her flower garden. That is until her labor of love becomes nothing more than a colorful, tasty treat for the white-tailed deer who share their surroundings. One night the pair has an eerie experience with the four-legged visitors in their yard that would haunt them in the nights ahead. The evening sets the path for Jacob's decision to go against nature. After hearing a legend passed down through generations of the Chippewa Indians, Jacob must now decide if it's just a myth or a lesson in the balance of law and justice-between people and nature.
