## THE LIONS PROPHECY: THE FIRST BATTLE OF ARMAGEDDON

Gaddis Laboratories, LLC. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.6in.Col. Maria Olsen, decorated veteran of the Afghanistan and Iranian campaigns and the generals onetime companion, will be compelled to leave her spiritual retreat and join him on this, his final mission. Together, they will face hardship and mortal danger as General Scofield leads his army to a climactic confrontation with his nations enemies. Before joining him in death, Marias last act of devotion will be to seek revenge against his mortal enemy, a mysterious Saudi Prince known to them through the generals Angelic prophecy. The Lions Prophecy opens with the nuclear destruction of Washington DC and New York City, and the deaths in those blasts of our nations most prominent political and financial leaders. Only one man alive has the technological ability and the moral courage to rally the country, rout its enemies, and save the United States from destruction: Gen. Michael Scofield, The Lion. Will he unleash World War III with his menacing display of destructive power Will he stand down at wars end, or dictate terms to the countrys new leadership Will his secret research into genetic design change the very nature of mankind These are the questions asked in The Lions Prophecy. With its global action and life-altering technologies, The Lions Prophecy is the ultimate novel for fans of futuristic techno-thrillers. Prophecy also provides food for thought for readers in search of an alternative spiritual zeitgeist. The saga explores the impact of technology on war, and the impact of both on the material and spiritual existence of mankind. The Lions Prophecy can be read on different levelsas a fast-moving adventure story, as a cautionary tale about the subduction of our humanity by genetic engineering and other technological marvels, or as a...
