The first of these is that somewhat vague and general assertion that our age is not a poetic age, that rather it is a great epoch for practical efforts and results of every sort, a hard-working utilitarian time, devoted to manufacturing, engineering, trade, commerce, and political economy, but alien in its instincts and tendencies from poetry, with neither leisure to cultivate it nor inclination to attend to it. No very logical and precise answer can be here attempted to such a statement. Solvitur ambulando. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. ### Reviews

*These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.*

*The ideal ebook i possibly go through. It generally does not cost an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
