Woodbine House Inc.,U.S., United States, 2012. Mixed media product. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book. Do you know a struggling reader who has given up trying? Try reading again! This book can help turn older beginning readers into first-time readers or significantly improve their reading abilities. The reading method presented here is appropriate for people with intellectual disabilities, as well as for students whose native language is not English (ESL students). TRY AGAIN READING features three important components: Language experience stories Phonics Age-appropriate structured stories Put these together and you ll discover it s never too late to learn to read! Veteran special educator, tutor, and parent, DeAnna Horstmeier presents a savvy approach tailored to the interests and vocabulary of upper-elementary, middle, high school, or adult beginning readers so as not to frustrate or embarrass them with materials written for very young kids. In keeping with current research showing that students are most successful and motivated when they read about their own experiences, the lesson plans in TRY READING AGAIN include age-appropriate stories written by the author for different reading comprehension levels, as well as instructions for creating and using original stories about a reader s own life. With the help of worksheets, games, flashcards, and exercises, students learn phonics-- the sounds of consonants, short and long vowel sounds, blends, digraphs, and basic prefixes and suffixes. Objectives and evaluations for each phonemic topic relate to curriculum-based measurements, making this a useful guide for middle and high school teachers, as well as parents, and reading tutors. A handy CD-ROM of worksheets, activities, and additional stories makes it a cinch to print multiple copies to share with many students and to repeat exercises. This proven reading method presents an invaluable opportunity to try reading again,...
