EDUCATION IN SOUTH KOREA

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - Education in South Korea is viewed crucial for success and competition is consequently very heated and fierce. A centralized administration oversees the process for the education of children from kindergarten to the third and final year of high school. Mathematics, science, Korean, social studies, and English are generally considered to be the most important subjects. Sometimes physical education is not considered important as it is not regarded to be education and therefore...
