Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: . the formation of the Hydraulic Power Committee of the National Association at Pasadena this year, because of the predominance of water power in the West, this Association will be well represented in its personnel. INDUCTIVE INTERFERENCE In view of the fact that few physical problems confronting the light and power utilities of this country are more important than the inductive interference problem, the committee has gone to great length in assisting the National Committee to formulate a nation-wide plan of action which will produce a basis on which to handle this question, interest in which is becoming so active among power distributing companies and communication companies. Close cooperation has been offered by the telegraph and telephone companies which are informing themselves D. I. CONE, Pacific Telephone Telegraph Company, San Francisco-- It is a good sign when both communication interests and power companies are studying inductive...
