Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

To those reflections we were incited, by the late publication of the *Love Letters of Mary Queen of Scots*, by Hugh Campbell, calling himself a Doctor of Laws and Fellow of the Antiquary Society. These Letters, says the Editor, came into his hands by accident. The manuscript, he adds, appears to judges to be upwards of one hundred years old; but, I should take the language, continues Hugh Camp bell, to be antecedent to the classical days of Addison.
