Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Fitzhenry & Whiteside. Board book. Book Condition: new. BRAND NEW, Pants Off First, Ruth Ohi, Ruth Ohi, "Time to undress," says Mummy, as she puts out his pajamas and hurries back to her dinner guests. And that's exactly what this little boy is going to do. So one by one, each article of clothing is pulled off and lands in a heap as his pets watch with interest. Then, one by one, each article of clothing finds a new owner as the toddler dresses his pets. A hilarious board book that little ones will love. Young readers will love pointing to each pet as they follow the simple storyline and quickly memorize the rhythmic text. And parents will recognize, in Ruth Ohi's gentle humour, every toddler's delight in escaping the tyranny of clothes.
