This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

SOMETIMES FORM SOMETIMES VESSEL

Culturatti Ink. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.5in. x 5.5in. x 0.2in. Summary: Generally: The frontier of literature is the expressive nature of language itself. David focuses on transforming words into lyric having an aesthetic beauty that is both collaborative with and independent of meaning. All of his work is written to be read aloud. The reader is a co-creator, and David structures his work to allow the reader intimate interpretive choices in the works presentation. Each of Davids books is a complete whole: no poem, story, or chapter is meant to stand alone. Their order, progression, and the words and images that tread between them are meant to reveal different faces of the same central themes that David treats. His fiction strives for a subtlety that frees the field of interpretive depth, and then bores in with pure invective. His poetry advances each word as its own ultimate and primary form, so that all is text or void, without the restricting channels of punctuation. The text always pours and pours. The reader must grab one piece and ride it out, then commander another buoyant concept to ride again. Always, the fleeting existence of sounds pronounced is the right forum for the work. David aspires to celebrate the oneness and valor of humanity, dredging from our complexity one simple direction of creation. With appropriate awe, he searches for the self, and in turn the divine, in the complicit detail that surrounds life. He lauds the gifts of identity that come from our biology, anthropology, and science, even as we struggle and fail to surpass their strictures. He seeks to confront the reader with the thrilling and raw nature of conviction and compassion. For Sometimes Form Sometimes Vessel: Davids first collection of poems examines the duality of the individual...
