Reviews

This is the greatest book we have read through till now. It is probably the most amazing book we have go through. I am just happy to tell you that here is the greatest book we have read through during my individual daily life and may be he best ebook for possibly.
(Eliseo Leffler)

MEDIA AFTER DELEUZE

Bloomsbury Publishing PLC, United Kingdom, 2016. Paperback. Book Condition: New. 216 x 138 mm. Language: English . Brand New Book. Media pervade and saturate the world around us. From the proliferation of social media, to crowdsourcing, big data, games, and more traditional media such as television, radio, and print, media provide the framework for our engagement with the world and each other. By recasting the traditional concerns of media studies through the lens of the work of Deleuze and Guattari this book provides an innovative new toolkit for understanding how media shape our world. Taking as their central question what it is that media do, Harper and Savat offer a new and insightful approach to this exciting area of study.
