*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.RAILWAY TIMES It s the mid nineteen-fifties. Archie Charlie, a steam engine commissioned in nineteen forty-seven, is busy traveling the rails in the expert hands of his driver, Fred Hoxton. Fred is a confirmed bachelor who has decided to make his home in a cozy corner of the engine shed. The two of them have developed such a close relationship that they are able to work together without the need for a fireman on the footplate. A number of happenings enliven the drab British Railways scene at this time, all involving this engine and his driver. These include the setting up of a social club for locomotives, an impromptu picnic; drama on a bank holiday, the unexpected appearance of romance, plus the rendering of a song or two. All these events and more are chronicled here. So why not step back to a time when balloons of smoke heralded the arrival of a train and compartment windows were opened with a strap. Please show all tickets at the barrier.
