Stylus Publishing (VA). Paperback. Book Condition: New. Paperback. 238 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. As world travel is growing exponentially, alternative travel has grown apace: from ecotourism, gap years, short-term mission trips, cultural travel-study tours, and foreign language study, to college-level study abroad, voluntourism, and international service-learning. This book is intended to help the new generation of ethical and educational travelers make the most of their international experience, and show them how to broaden their cultural horizons while also making a contribution to their host community. This book guides independent and purposeful learners considering destinations off the beaten path on connecting with a wider world. Whether traveling on their own, or as part of a group arranged by an educational institution, humanitarian organization, or congregation, this book will enable them to make their international encounter rewarding, authentic, enriching, and learning-oriented. This book draws on the authors extensive travel and many years of guiding college students global learning. Richard Slimbach offers a comprehensive framework for pre-field preparation that includes, but goes beyond, discussions of packing lists and assorted dos and donts to consider the ultimate purposes and practical learning strategies needed to enter deeply into a host culture. It also features an in-depth look at the post-sojourn process, helping the reader integrate the experiences and insights from the field into her or his studies and personal life. This book constitutes a vital road map for anyone intent on having their whole beingbody, mind, and heartstretched through the intercultural experience. Becoming World Wise offers an integrated approach to cross-cultural learning aimed at transforming our consciousness while also contributing to the flourishing of the communities that host us. While primarily intended for foreign study and service situations, the ideas are just as relevant to intercultural learning within domestic settings. In a globalized...
